

Dear Midget Major/Minor Coach:

As the owner of EHK Sports I would like to invite you and your team to participate in the 1st annual Amateur Hockey Report Challenge Cup-Chicago. This year's tournament will return to the **Glacier Ice Arena in Vernon Hills, IL** (outside of Chicago) EHK Sports had taken a few years off from running this tournament, but with demand high we have brought it back into our events schedule. Now with a new name we expect it will become as popular as our AHR Challenge Cup-Dallas. The event will be taking place in a state of the art facility that is one of the best ice arenas in the United States.

This year we will host a core of 20 great teams from the U.S., Canada & Europe (10-Major & 10-Minor). You will find that everything you need has been provided on our website www.ehksports.com. Consider the invitation and then contact EHK Sports ASAP to be considered for a spot. Send in half registration fee as a deposit by July 15, 2008 to be considered. You will be notified by September 1, 2008 (or earlier) if you have been accepted. If you have not been accepted you will be refunded your deposit immediately. If you have any further questions feel free to call me anytime 847-247-0460.

Sincerely,

Eric H. Krupka
