Dear Player:

As the owner of EHK Sports Enterprises I would like to offer you the chance to showcase your hockey skills in front of scouts from Major Junior (OHL, QMJHL, WHL), Junior A (USHL, BCHL, AJHL, CJHL, NAHL, CSHL, AJHL, EJHL, WSHL, NORPAC) teams as well as Div I & ACHA schools. The 2009 EHK Sports Free Agent Showcase is the only place you will need to go to show your talents. For nine years EHK Sports has run the best and most successful showcases in North America, with 384 players and over 150 junior teams and 200 scouts in attendance at our Pre-Draft Showcase. The most important part of any event is you the player. The purpose for any showcase is to make sure the right people are in the stands watching you play. This is why we have created a showcase before the season starts. Our events are top notch, we make sure that everything is done to help you and the scouts come together. EHK Sports is not paid by any teams, so there is no conflict of interest. EHK Sports is an independent company with MANY ties to Major Junior, Junior A & Div I NCAA hockey. We simply provide the event necessary for the scouts to find the players they need.

Each season on average every Junior A (Tier I, II or III) goes through 30-40 plus players entering and leaving their rosters. That means that there is a good chance for the players who were close but didn't make the team to get a second chance during the season. The EHK Free Agent Showcase allows you to be seen right before the season starts and to place your on ice play fresh in the minds of the coaches and scouts, so that when they are looking for a player during the season they have a reference to follow. The Showcase also allows the scouts to place players on their radar, so that they can watch them during the upcoming season.

If you are serious about playing Major Junior in Canada, Junior A or NCAA in the U.S or Canada, then you need to attend the 2009 EHK Free Agent Showcase. EHK Sports has held seven showcases, attended by 2182 participants of which, 1832 were drafted by Junior teams, of those 1285 will be playing for the Junior team that drafted them. That means 84% of the players that attended an EHK Sports showcase were drafted and 59% are playing at the next level. That is the best success rate of any showcase in the United States. In seven years the Pre-Draft Showcase has sent in excess of 1,000 players on to the pro, collegiate and junior ranks. That's more than quadruple other showcases in less time.

EHK Sports is in the business of setting up events that promote the best hockey players. If you attend the 2009 EHK Free Agent Showcase you will promote your talents on the ice, while EHK Sports promotes you off the ice. "Be Where The Best Players & Scouts Are!"

Join a winning team EHK Sports Enterprises & the 2009 EHK Free Agent Showcase.
